Very Quick Take – The Cytoshills Make A Mistake (CYDY)

While we all anxiously await tomorrow's CONFERENCE call from everyone's favorite reverse-merger pink sheet Coronacraper, Cytodyn (CYDY), the shills posting glowing comments about the company and its fearless leader The NaDDir* over at Seeking Alpha seem to have made a mistake.

On today's ridiculous Cytodyn piece on Seeking Alpha, (here (<https://seekingalpha.com/article/4361583-cytodyns-covidminus-19-trial-tribulations>)), insanely prolific Cytodyn pumper, who goes by saf1148 (bio here (<https://seekingalpha.com/user/49739571/comments>)) made a comment at 9am, and then three minutes later replies to his or her own comment, calling out him- or herself.

Oops! Looks like someone forgot to logout and log back in under their other screen name. Hope someone at Seeking Alpha is tracking IPs of the Cytosockpuppets.

The content expressed is the opinion of the author but why doesn't the author have the guts to use his/her name in the byline? Must not be too proud of the bullshit you're spreading.

[Hi Clyde, if you can point out any errors of fact in this post, please do. Otherwise, we would suggest you start to learn the common flaws in logical reasoning. The most common being *ad hominem*, of course. – Editor]
